

SPEED MENTORING

Speed Mentoring provides an open invitation for mentees to ask questions that range from practical advice related to specific needs to more philosophical questions about careers in science.

The format for Speed Mentoring will be **five-10 minute segments per hour** with two minutes for scholars to move from person to person.

QUESTIONS WORTH ASKING

What is your single best piece of grant-writing/preparation/submission advice?

How did you recover from your biggest failure?

Have you ever run into a sticky situation with internal politics and how did you solve it?

What are the best ways to connect with busy senior faculty and administrators?

How do you integrate your work and your personal life?

What is the most important thing for someone at my career stage to do within the next six months?
